

New design for bond forms

3 December 2018

We have updated our bond forms to make it easier for you to complete them.

We have updated our bond forms to make it easier for you to complete them.

The lodgement and refund forms are now one page, to help you print and submit them.

We've also added extra detail so we get all the right information the first time, and don't need to come back to you as often. We encourage you to use the new forms every time you need them.

The process remains exactly the same. Whenever you need to lodge a bond, request a refund or transfer, or update a bond record, you can simply download a form from this website.

Remember – everyone needs to sign the form they're completing, otherwise there might be delays.
